INDEPENDENT AUDITORS' REPORT

Board of Directors
The Foundation for Lee County Public Schools, Inc.
Fort Myers, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of The Foundation for Lee County Public Schools, Inc. (the Foundation), a direct support organization and component unit of the School District of Lee County, Florida, which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of activity revenue and schedule of changes in net assets are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 12, 2019 on our consideration of the Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2019

NOTE 1 NATURE AND PURPOSE OF THE FOUNDATION

The Foundation for Lee County Public Schools, Inc. (the Foundation) is a nonprofit organization which affords community interaction and financial support for the enrichment of educational programs within the School District of Lee County (the District). The Foundation is organized and operates as a direct-support organization of the District and is a component unit of the District.

A brief description of the Foundation's activities that support its program is as follows:

Administration – Administration includes fund-raisers, Business Partners/State of our Schools, and other activities and special events not specifically identified in other activities.

A-Team – The A-Team Challenge is a televised academic competition created to honor academic excellence and achievement and to foster pride and spirit of competition among high school students, teachers, and coaches.

Bonita Springs High School Fund - The Bonita Springs High School reflects contributions received and related expenditures made specifically for the Bonita Springs High School.

C³ College and Career – The College and Career Center prepares Lee County public school students for post-secondary education, technical training, or entering the workforce. This is accomplished through scholarship opportunities, soft-skills training, and workshops focused on several topics including financial aid, vocational training, interviewing skills, resume building and career exploration.

Classroom Grants – The Classroom Grants activity offers educators the ability to apply for and receive funds to offer unique learning opportunities and experiences for their students.

Collegium for the Advancement of Education – The Collegium for the Advancement of Education is the teacher development element of Golden Apple that offers opportunities for networking, as well as educational opportunities to a select group of educators.

Dancing Classroom – This is an arts-in-education activity teaching ballroom dance to 5th grade students of participating schools. This activity instills self-esteem, confidence, and social skills.

Education Resource Center – The Center collects new and used donated items to benefit teachers, students, and schools at no cost to them.

FutureMakers – The FutureMakers activity inspires more high school seniors to take the next step after graduation.

Golden Apple – The Golden Apple Teacher Recognition Activity gives a high level of recognition to outstanding classroom teachers. This activity, now in its 27th year, presents many opportunities to Lee County educators. The activity also included Academy of Teachers and Golden Futures Scholarships.

NEAF Grant – Closing the Achievement Gaps Initiative.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Foundation have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Net Asset Classifications

Resources for various purposes are classified for accounting and financial reporting purposes into net asset categories established according to their nature and purpose as follows:

Net Assets Without Donor Restrictions – represents funds which are fully available to be utilized in any Foundation activity or for supporting services, and those resources invested in equipment and furnishings.

Net Assets With Donor Restrictions – represents funds which are restricted by donors for specific purposes. The restrictions are satisfied either by the passage of time or by actions of the Foundation.

All contributions are considered available for unrestricted use unless specifically restricted by the donor or subject to other legal restrictions.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Contributions

Contributions are recognized when the donor makes a promise to give to the Foundation that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of the amounts expected to be collected. The discounts on those amounts are computed using an imputed interest rate applicable to the year in which the promise is to be received.

Donations of personal property are recorded as contributions at fair value at the date of donation. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use or the use of proceeds derived from the sales of such assets are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Foundation reports expirations of donor restrictions when the donated assets are sold. At the time of sale, the Foundation reclassifies net assets with donor restrictions to net assets without donor restrictions, reports an expense based on the donor-imposed restriction at the time of sale and adjusts the contribution amount by the net gain or loss from the sale of the asset.

Donated Services

Donated services are recognized only if services received create or enhance nonfinancial assets or require specialized skills, are provided by individuals possessing those skills, and would typically be purchased if not provided by donation. Donated services meeting the requirement for recognition in the financial statements are recorded at the fair market value of professional services rendered.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash held in checking, savings, and money market accounts and certificates of deposits with original maturities of three months or less. At times, cash balances with financial institutions exceed FDIC limits.

Certificates of Deposits

Certificates of deposit with original maturities greater than three months are shown at the original amount deposited plus accrued interest, which approximates fair value because of the short-term nature of these deposits (one-year or less).

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Office Equipment and Furnishings

Office equipment and furnishings have been recorded at cost. The Foundation has a capitalization threshold of \$500. Depreciation is recorded using a double declining balance method over the estimated useful life of the asset.

Donated Assets Held for Sale

As of June 30, 2019, donated assets held for sale consists of four boats that were donated to the Organization for the use in the marine technology department of the Fort Myers Technical College, part of the Lee County Public School District. The boats are used for the purposes of student training until they are sold. Donor restrictions indicate that proceeds must be used to subsidize the marine technology program at the college.

Income Taxes

The Foundation is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (IRC). The Foundation qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as a foundation that is not a private foundation under Section 509(a)(2).

The Foundation follows the income tax standard for uncertain tax positions and has evaluated its tax positions and determined it has no uncertain tax positions as of June 30, 2019.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Functional Allocation of Expenses

The costs of providing the program and various other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the activities and supporting services benefited. Salaries and benefits are allocated based on the direct amount of time each person spends in each program. Other expenses, such as supplies, printing and copying, or services required for conducting the programs are charged based on the direct invoice cost of the items or services. Rent (Donated Facility Usage) is allocated to various programs and administration accounts based on the salary percentages of employees by location. Fundraising costs are considered immaterial and have been included in program services.

Subsequent Events

In preparing these financial statements, the Foundation has evaluated events and transactions for potential recognition or disclosure through August 12, 2019, the date the financial statements were available to be issued.

NOTE 3 LIQUIDITY

The Foundation receives significant contributions with donor restrictions to be used in accordance with the associated purpose restrictions. The Foundation considers contributions with donor restrictions for use in current programs which are ongoing, major, and central to its annual operations to be available to meet cash needs for general expenditures. General expenditures include administrative and general expenses, fundraising expenses, and program expenses expected to be paid in the subsequent year. Annual operations are defined as activities occurring during the Foundation's fiscal year.

The Foundation routinely monitors liquidity to meet its operating needs. In addition to financial assets available to meet general expenditures, the Foundation operates with a balanced operating budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources.

The table below presents financial assets available for general expenditures within one year at June 30, 2019:

Financial Assets at Year-End:	
Cash and Cash Equivalents	\$ 1,152,148
Certificates of Deposit	507,529
Accounts Receivable	<u>53,302</u>
Financial Assets Available to Meet General Expenditures within One Year	<u><u>\$ 1,712,979</u></u>

NOTE 4 FLORIDA PREPAID SCHOLARSHIPS

The Foundation, through its donors, has purchased prepaid scholarships from the Florida Prepaid College Foundation, Inc. As of June 30, 2019, the Foundation owns prepaid scholarships worth \$6,458,232, which are reported on the statement of financial position at a cost of \$2,026,310. Of the prepaid scholarships owned at June 30, 2019, \$410,931 was purchased in the current fiscal year for \$205,465 plus \$-0- of Florida Prepaid Credit for a total cost of \$205,465 from the Florida Prepaid College Foundation, Inc. The state of Florida matches, dollar for dollar, the Foundation's cost of prepaid scholarships purchased.

Upon graduation from a public high school, students are awarded prepaid scholarships. To date, 365 Lee County public school students have been awarded Florida Prepaid Scholarships. The remaining 221 prepaid scholarships have been designated for future Lee County public school graduates.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Board of Directors
The Foundation for Lee County Public Schools, Inc.
Fort Myers, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of The Foundation for Lee County Public Schools, Inc. (the Foundation), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August 12, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Foundation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did identify certain deficiencies in internal control, as described below, that we consider to be material weaknesses. These material weaknesses were identified and communicated in the prior period.

2019-001 Annual Financial Reporting Under Generally Accepted Accounting Principles (GAAP)

Criteria:

Management is responsible for establishing and maintaining internal controls and for the fair presentation of the financial statements, including the related disclosures, in accordance with accounting principles generally accepted in the United States of America (GAAP).

Condition:

The entity does not have an internal control policy in place over annual financial reporting that would enable management to prepare its annual financial statements and related footnote disclosures are complete and presented in accordance with GAAP.

Context:

Management has informed us that they do not have an internal control policy in place over the annual financial reporting and that they do not have the necessary staff capacity to prepare the annual financial statements, including disclosures.

Cause:

The entity relies on the audit firm to prepare the annual financial statements and related disclosures. However, management has reviewed and approved the annual financial statements and the related disclosures.

Effect:

The potential exists that a material misstatement of the annual financial statements could occur and not be prevented or detected by the entity's internal controls.

Recommendation:

Management should continue to evaluate their internal staff capacity to determine if an internal control policy over the annual financial reporting is beneficial.

2019-002 Audit Adjustment

Criteria:

Management is responsible for establishing and maintaining internal controls for the proper recording of all the Foundation's receipts and disbursements, year-end accruals, and in-kind contributions activity.

Condition:

As part of the audit, we proposed audit adjustments to revise the Foundation's books at year-end. These adjustments involved adjusting the recorded value of the Florida Prepaid Scholarships to the amount of tuition hours available to be awarded, record receivable for remaining amount of a grant that has been earned, and recording a refund for unused scholarship.

2019-002 Audit Adjustment (Continued)

Cause:

The entity relies on the audit firm to propose audit adjustment necessary for the preparation of the annual financial statements and related disclosures. However, management has reviewed and approved the proposed audit adjustments.

Effect:

The potential exists that a material misstatement of the annual financial statements could occur and not be prevented or detected by the Foundation’s internal controls.

Recommendation:

We recommend management be consistently aware of all procedures involved in recording receipts and disbursements, and accruals, and develop internal control policies to ensure proper recording of these items.

Compliance and Other Matters

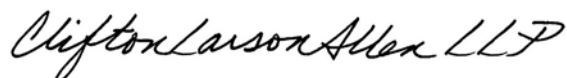

As part of obtaining reasonable assurance about whether the Foundation’s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

The Foundation’s Response to Findings

The Foundation’s responses to the findings identified in our audit are described in the accompanying schedule of management responses. The Foundation’s response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Foundation’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Dear Mr. Redovan,

On behalf of The Foundation for Lee County Public Schools, Inc., this letter will confirm that we have reviewed the final draft of the audited financial statements for the fiscal year ended June 30, 2019.

The deficiencies described in the audit are similar to past audit findings and are known to management and the Board of Directors. Due to cost and other considerations, we accept the degree of risk associated with these deficiencies.

I want to take this opportunity to thank you once again for your services with regard to this audit. We look forward to receiving the finalized audit.

Sincerely,

Marshall T. Bower, Esq.
